New Zealand, Australia

Kia Ora New Zealand just DREAM it...SEE it!

Rotorua is known for its geothermal activity with geysers, boiling mud pots and hot springs. What better place to stay than **The Springs B&B**. Meet Catherine, your quintessential host, enjoy the luxury of a 1930's New Zealand Bungalow and relax in gardens filled with roses and camellias.

Rotorua is a center for Maori Culture on the North Island. Mysterious, fascinating, fierce and powerful-all words to describe **Tamaki Maori Village**. Alive with the sights, sounds and activities of the Maori peoples predating the arrival of Captain Cook, Tamaki Maori Village provides insights into the Maori culture in such an interesting and engaging way that you leave with a deep appreciation for the Maori people today. This evening is fun, festive and unforgettable.

Rotorua is surrounded by native forests just waiting to be explored on foot or zipping through the air. With **Rotorua Canopy Tours** see the pristine native forest from a 1.2 km network of ziplines, swingbridges, walking trails and treetop platforms. Guides share their unique knowledge of the forest and introduce you to eco-tourism New Zealand style. 20% of the forest is now free from introduced predators and one day soon they hope to have the forest just the way it was when James Cook discovered New Zealand.

So much of the magic in New Zealand is the beauty encountered while traveling between destinations, and although renting a car and self-driving is one way to go, why not consider a **Great Sights Coach** tour which takes you between destinations, offers informative commentary, stops along the way and gives everyone the chance to take in the sights along the road. Travel from Rotorua to Auckland via Hobbiton!

G'Day Australia

Kangaroo Island, Australia

Kangaroo Island is indeed Exceptional and a two day/two-night stay on the island will leave you with jaw-dropping photos and vivid memories. **Exceptional Kangaroo Island** has been offering high quality wildlife and landscape tours since 1986. Join their small group shared or luxury private four-wheel drive tours which promise good food, good wine and wildlife in the wild. Their guides take pride in sharing their knowledge and seek to educate and entertain. They have a conversation, not a commentary, covering the rich history, unique ecology and contemporary island lifestyle of this gem of Australia.

Island Life Tour

Stroll down a country track through tall Eucalyptus trees where koalas snooze overhead. Travel through some of the Island's best farming country to the north coast. Look for wallabies, which are almost extinct on the mainland, and a kangaroo found only on Kangaroo Island. At Seal Bay Conservation Park walk with your guide among Australian sea lions lounging on their beautiful sandy beach. Watch pups nursing, or playing in the surf, see old bulls bearing the scars of territorial disputes and learn about their unique breeding biology. Break for lunch and enjoy a delicious meal featuring King George whiting, fresh salads and fine South Australian wines. Where? At a private bush location.

Flinders Chase Focus Tour

Explore The Remarkable Rocks, huge natural granite sculptures, that have been carved by relentless winds, rain and salt from the Southern Ocean. Drive down to Cape du Couedic taking in some dramatic dune country along the road that follows the original horse trail between the ranger station and the lighthouse settlement on the tip of the peninsula. See the beautiful stone lighthouse where three light keepers and their families lived, maintaining a warning for ships. Finish the day with a visit to "Grassdale" in the heart of Kelly Hill Conservation Park, the home of the pioneering Edwards Family and now a great place for kangaroo observation. Break for a picnic lunch featuring local produce and good wines.

Stranraer Homestead

Stranraer is a historic homestead that was built in 1920 from limestone gathered on the property. It is a working sheep farm and offers an outstanding glimpse of the real Kangaroo Island lifestyle. Lyn and Graham Wheaton host you for two nights at their traditional bed and breakfast. They send you out to discover the wonders of their island home and welcome you back to recharge for another day of Exceptional Kangaroo Island.
